Where Should We Go?

JULY 15–19, 2024 • Dublin, Ireland

July 2024 may seem like months away, but it will come quicker than you think! Start thinking about ways you can prepare by reviewing the list of items below:

Download and review the [2024 Annual Meeting FAQs](#).

Start preparing your abstracts! *Note that the submission deadline is **February 15**.*

Save the date for the [Preconference Symposia Ovarian Workshop](#) on **July 15-16**.

Check out the [Keynote and Plenary Speaker](#) lineup.

Check your passport expiration date so you can travel with us to Dublin in 2024!

Note: If you are a U.S. citizen intending to go anywhere in the EU after or before the conference, your passport must have an expiration date at least 3 months after the date you intend to leave the EU. This does not apply to Ireland, where a valid passport is sufficient (just another reason to love Ireland!).
