NEWS & UPDATES

The 2023 SSR Elections Open March 20!

The SSR Elections open **Monday, March 20 at 10:00 AM EDT!** Keep an eye out for an email from ssr@simplyvoting.com. If you do not receive your ballot, please contact administrator@ssr.org.

Apply for the Burroughs Wellcome Fellowships

Applications are **NOW open** for the 2023 SSR Burroughs Wellcome Fellowships! Check them out below:

[Trainee Application](#)

[Junior Faculty Application](#)

Underrepresented minority trainees and junior faculty are invited to apply for the travel fellowships (supported by Burroughs Wellcome Fund) to attend the SSR's 56th Annual Meeting.

**If you apply, please wait to register for the annual meeting until after you receive notice of your award status.*

BOR Editor's Choice

In the latest issue of BOR, authors from CHU de Québec Research Center found modulation of primary-ciliogenesis and downstream Hedgehog signaling controls Wolffian duct development. Read free [here](#).

FASEB DataWorks

FASEB launched [DataWorks](#) to support life sciences researchers by providing the tools and resources needed to enable data sharing and reuse to accelerate scientific discovery. [DataWorks! Help Desk](#) Provides key guidance ahead of implementation of the NIH 2023 [Data Management and Sharing \(DMS\) policy](#).

WEBINARS

Save the Date - Next Rising Stars Webinar

Have you been enjoying getting to know reproductive biology's rising stars? Mark your calendars for the last webinar in the series happening **April 12, 2023**. We will hear from So-Youn Kim and Bluma Lesch. Stay tuned for the registration link and more information about their presentations coming soon!

Connect with SSR

About SSR: The Society for the Study of Reproduction (SSR) was founded in 1967 to promote the study of reproduction by fostering interdisciplinary communication among scientists, holding conferences, and publishing meritorious studies. Today, our members come from 50 countries around the world.
