SPONSORSHIP OPPORTUNITIES

July 19 - 22 | JW Marriott Indianapolis

Click Here to
Become a Sponsor

SUPPORT SSR

Sponsor the SSR 59th Annual Meeting - Our enhanced sponsorship packages offer flexible options to fit a variety of budgets, with the ability to create a custom package that meets your organization's specific needs. Check in with your own organization today and encourage them to support this amazing event. Gain visibility as an organization that supports our mission to advance the Science of Reproduction, Fertility, and Development for the Benefit of Humans and Animals. [Learn more and view the prospectus benefits.](#)

Make a Donation - You can support SSR in various ways, allowing you to direct your donation to the programs that matter most to you and fit your budget. [Learn more about SSR's donation option.](#)

MEMBERSHIP RENEWAL

SSR remains dedicated to supporting your profession in reproductive sciences by providing you with the information, connections, and engagement opportunities you need to be successful at each stage of your career. With current budget uncertainties, now is a great time to secure your membership for the coming years. Consider upgrading to a two- or three-year membership option for added convenience and savings.

We encourage you to renew your membership today to maintain your access to a host of benefits SSR members enjoy

COMMITTEE UPDATES

Trainee Affairs Committee

SSR Trainee Journal Club

Volunteer to present at the SSR Trainee Journal Club! The SSR Trainee Journal Club is a virtual platform where trainees share their recently published work and the publishing process. Our goal is to learn more about the research our peers are doing and to foster open discussion and community building among trainees. If you're a trainee who has recently published, we'd love to hear from you.

Heritage Committee

Member Memorials

Recognizing the invaluable contributions of our members to the Society for the Study of Reproduction and the broader field of reproductive science, we wish to respectfully honor those who are no longer with us. If you are aware of an SSR member who has passed away, please share their name so that we may acknowledge their memory within our community.

PODCAST

[Listen Here](#)

EP 48: The Calcium Code—SSR Research Award Interview with Dr. Carmen Williams

In this highly insightful episode of **The Future Conceived**, host Cam Schmidt talks with **Dr. Carmen Williams**, Senior Investigator at the National Institute of Environmental Health Sciences and the **2025 winner of the SSR Research Award**.

Dr. Williams, whose lab investigates the critical events of fertilization, shares groundbreaking findings on **calcium signaling** during egg activation.

INDUSTRY EVENTS

Frontiers in Reproduction Course

Frontiers in Reproduction

at the Marine Biological Laboratory

April 26 - June 7, 2026

Applications due:
January 12, 2026

Financial
Assistance
Available

Science Starts Here.

Frontiers in Reproduction (FIR) is an intensive 6-week laboratory and lecture course designed for scientists seeking training in modern state-of-the-art methods and a broad view of current concepts in all areas of reproductive biology.

Course Director:
Daniel Bernard (McGill University)

THE UNIVERSITY OF CHICAGO
**MARINE BIOLOGICAL
LABORATORY**

Applications for the 2026 Frontiers in Reproduction are now welcome (until January 12, 2026).
